The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**ADOPT A RESOLUTION AUTHORIZING THE SHERIFF TO ACCEPT A GRANT
AWARD FROM THE DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL,
AND APPROVE AN APPROPRIATION ADJUSTMENT
(4th AND 5TH DISTRICTS) (4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve a grant award in the sum of \$317,830, from the State of California, Department of Alcoholic Beverage Control (ABC), to fund deputy overtime, benefits, operating expenses, travel, and equipment for the Lakewood, Lancaster, and Norwalk Sheriff's Stations, to implement their alcohol and beverage control programs and operations, in conjunction with ABC.
2. Adopt a resolution (Attachment I) authorizing the Sheriff of Los Angeles County, as an agent for the County, to sign and execute three grant award agreements in the amounts of \$88,363 (Lakewood Station), \$116,805 (Lancaster Station), and \$112,662 (Norwalk Station), from the ABC, and to sign and execute any subsequent amendments, modifications, augmentations, extensions, and grant renewals pertaining to said grants, and accept liability for any acts occurring under the grants.
3. Approve a Fiscal Year (FY) 2007-08 Request for Appropriation Adjustment in the amount of \$318,000 (\$299,000 designated for salaries and employee benefits, and \$19,000 designated for services and supplies) to fund overtime and benefits, operating expenses, travel, and equipment, to be offset by grant funding (Attachment II).

A Tradition of Service

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

On March 28, 2007, nine proposals requesting grant funding to implement alcohol and beverage control programs were submitted to the ABC by the Los Angeles County Sheriff's Department (Department). On June 12, 2007, the ABC sent notification to the Department that Lakewood, Lancaster, and Norwalk Sheriff's Stations were selected to receive grant funding totaling \$317,830.

The ABC has consistently awarded this grant to the Department. This is the fourth year Lakewood Station has been selected to receive this grant, the second year Lancaster Sheriff's Station has been selected to receive this grant, and the first year Norwalk Sheriff's Station has been selected to receive this grant. Lakewood Sheriff's Station provides police coverage to five cities and will continue to implement their alcohol and beverage control operations in those cities with the funds from this grant. Lancaster Sheriff's Station provides police coverage to the City of Lancaster and the unincorporated northern area of Los Angeles County and will also continue to implement their alcoholic beverage control operations with the grant funds. Norwalk Sheriff's Station provides police coverage to two contract cities and an area of unincorporated Los Angeles County, south of the City of Whittier, and will implement their alcoholic beverage control operations. All three stations will conduct their alcohol and beverage control programs and operations in conjunction with ABC investigations.

The primary focus of this program is to expand efforts in addressing alcohol-related problems through a comprehensive ABC program that will encompass a wide range of strategies. Sworn personnel assigned to this project, on an overtime basis, will work closely with ABC investigators and receive training in ABC law, alcohol enforcement strategies, and the availability of community resources.

The ABC requires that the attached resolution be adopted by your Board in order to execute the three grant agreements.

Implementation of Strategic Plan Goals

This program will meet Los Angeles County's Strategic Plan; Goal 1, Service Excellence, by providing quality public service to individuals, families, businesses, and communities by enforcing State liquor laws and reducing alcohol-related crime, the accessibility of alcohol to minors, and the reduction of driving under the influence and related accidents.

FISCAL IMPACT/FINANCING

The \$317,830, with no local match required, from the ABC will pay for deputy overtime and benefits, operating expenses, travel, and equipment for the Lakewood, Lancaster, and Norwalk Sheriff's Stations to implement their ABC Programs. Approval of the appropriation adjustment, in the amount of \$318,000 (\$299,000 designated for salaries and employee benefits, and \$19,000 designated for services and supplies), is requested for funding to be spent in FY 2007-08.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The ABC grant award period is for a 12-month term, from July 1, 2007, through June 30, 2008. The resolution requires the County to accept liability for any actions that occur in the use of grant funds. The contractual requirements of the grant award and the resolution have been approved by County Counsel.

IMPACT ON CURRENT SERVICES

This grant will have a positive impact on current services, specifically for Lakewood, Lancaster, and Norwalk Sheriff's Stations, by addressing increased complaints of crime in and around ABC licensed locations within each of the stations' jurisdictions. Current Departmental resources are not able to address the problems adequately.

The local District Attorney's Office, Public Defender's Office, and Alternate Public Defender's Office were notified of the grant project for review regarding any potential impact to their offices.

In the City of Lancaster, a special "community" deputy district attorney is assigned to handle quality of life issues. The local District Attorney's Office has demonstrated an appreciable willingness to file and prosecute cases against minors and agents for licensees who sell alcohol to underage persons. Prior to the implementation of this program, meetings will be held with the leaders of the local District Attorney's Offices in the concerned local courts.

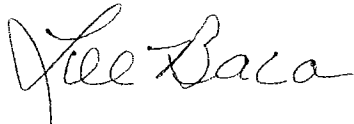

It was determined that these continuing programs will have minimal impact on the services and programs of the Public Defender and the Alternate Public Defender.
